

Dear ASAP Families,

It is with my deepest regret to inform you that ASAP will be temporarily closed; effective Monday, March 16, with a projected re-open date of Monday, March 30.

As most of you are aware this Coronavirus issue is changing minute by minute. We cannot control what happens from this point, but we can certainly help to prevent the spread and protect our families. This is our priority and we stand committed to doing what is best for all. We may not all agree, which is why, I ask for your patience as we get through this pandemic [together].

As of now, all classes are on hold. We will be devising a make-up system to accommodate as many of our clients as possible. Whether open gyms or rescheduled classes, we will offer the most professional option based on the situation. Again, your patience and understanding is greatly appreciated.

During our two week shut down we will be cleaning, sanitizing and getting ready for a fresh re-open. Our office staff will be here to meet your needs. Birthday parties, Camps and summer sign-ups WILL continue. Phones and emails will be answered.

Lastly, we teach our athletes every day on how to be successful in the hands of diversity and set back. This is no different. I have a saying in the gym "Adapt, Overcome, SUCCEED". We will get through this, and ASAP wants to be at the forefront of what comes next.

To all my ASAP families, stay strong, stay active and be a part of the positive! Until we see each other's smiles again, take care!

Thank you for your business and thank you for being a part of our family!

Sincerely,

Barry Mattern  
Owner
